# Book Study Information

It has long been believed that science and faith cannot mingle; that faith rejects the rational, while science restricts us to a life with no meaning beyond the physical. It is an irreconcilable war between two polar-opposite ways of thinking and living. Written for believers, agnostics, and atheists alike, The Language of God provides a testament to the power of faith in the midst of suffering without faltering from its logical stride. Readers will be inspired by Collin's personal story of struggling with doubt, as well as the many revelations of the wonder of God's creation that will forever shape the way they view the world around them. An instant bestseller, The Language of God provides the best argument for the integration of faith and logic since C.S. Lewis's Mere Christianity.

As usual, we will have two groups. The first group will meet on Wednesday evenings from 6:30-7:30 from Feb 6-April 17. The second will meet on Sunday mornings at 9 A.M. from Feb 10 - April 14.

You may either obtain the book on your own, or join a group order from the Church. Books in the Church order will cost \$14.00. (Scholarship offset available for those who need it.)

**DEADLINE FOR GROUP BOOK ORDER IS SUNDAY, JAN 20. YOU MUST SIGN UP FOR THE GROUP BOOK ORDER SPECIFICALLY IN ORDER TO TAKE ONE OF THE BOOKS.**
